Is there anything else you would have liked to have discussed during the home visit?

7 responses

No

N/A

NA

No thanks

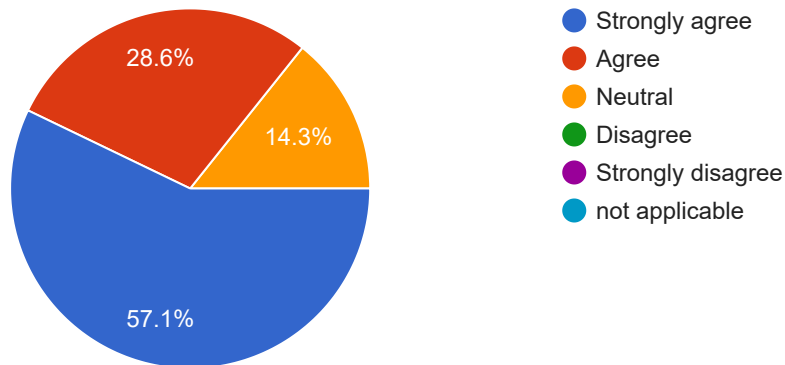

Prior to my son starting, his class teacher Sangeeta had taken time to look into his health issues and even had a print out of it- I felt this was very reassuring. Sangeeta and her team had consistently ensured my sons medical needs are met. Communication with me has always been excellent and this is very useful and reassuring.

Untitled Section

I find the Home school communication book helpful.
