

COMIC RELIEF 2013

On Friday 15 March, Durants School held a Comic Relief event, which was a huge success, thanks to the generosity of the pupils and their families, and our Staff. Staff and pupils entered the 'Great Durants Bake Off', a cake baking competition that, as you can see from the pictures, was taken very seriously by everyone! The judges favourites were the scones made by Indigo Class. Orange and Red came second and third respectively. Pupils in Silver class made some wonderful cakes independently, and had great fun planning, baking and decorating their garden themed cakes.

Our pupils attended a short assembly, and it was good to see everyone wearing red to support this very worthy cause.

We **raised £169.20** and we wish to thank everyone for their participation and generosity, and we hope that our Parents and Carers who were able to attend our bake sale had an enjoyable time.
