

Playtedz

Bad Weather Policy

STATEMENT OF INTENT

In the event of bad weather, the Manager will decide if Playtedz should open based on a number of criteria.

Aim

To ensure that in the event of bad weather the setting is nice and warm for the children and that parents/carers are informed if Playtedz is not open.

Method

The Manager will make a decision on whether Playtedz will open based on the following:

- The premises must be warm
- Staff must be able to get to Playtedz premises
- Roads must be safe to travel on

If it is decided that Playtedz should close all parents/carers will be telephoned by a senior member of staff and where possible a message will be left on the answer machine.
