

8<sup>th</sup> June 2020

Dear parents/carers,

I hope that you all are safe, well, and managing during this difficult time. I am writing to let you know that we have updated our Whole school Covid19 Risk Assessment in line with the most recent advice from Public Health England and NHS. This risk assessment is published on our website.

The safety of our pupils, learners and staff is paramount.

The operation of our schools is dependent on our ability to keep it resourced and safe

We have considered the maximum number of children, young people and staff we can have on site to allow for social distancing.

We are following Government guidance and keep our position under constant review.

Each child and young person has an individualised Covid-19 risk assessment, that is updated as needed.

Whilst social distancing is difficult for some of our children and young people to understand and practice, we will do all that is reasonably practicable to enable it.

We will also do what is reasonably practicable to support staff to socially distance within an education setting.

If a child or young person has a pre-existing medical condition that places them on the clinically extremely vulnerable list, they must remain at home. If a child or young person has a

pre-existing medical condition that places them in the clinically vulnerable category and the local authority's risk assessment says they are safer in school, we will need medical evidence to confirm this.

We work in partnership with parents and carers and the local authority on an ongoing basis.

Yours sincerely

Rachel Carli
