

3 April 2020

Dear Parents and carers,

As you will be aware, we have been working very hard to ensure our pupils receive the education, support and continuity they need in very challenging times. Our staff have been incredibly dedicated and committed and this has made a huge difference. We would also like to thank you for your understanding and patience.

It is safer for everyone in the community, immediate and wider, when everyone who can be at home stays at home. We have sent materials for each pupil home, and we will continue to do so. Our staff will also be in touch with every family, and we will continue to develop our education offer to support learning from home. We have put together new resources for families during this time.

For children of key workers and vulnerable children, the Government has asked schools and colleges to continue to accommodate them on site to support the COVID-19 response and keep children safe, particularly those who have a social worker. We have been able to do this for a small number of young people, prioritising need in line with Government guidance and our risk assessments to ensure we can run a safe service.

Thank you for your understanding as we respond to the unprecedented situation facing us as a school community. Your support and positive feedback and been hugely appreciated my myself and all the staff. Our detailed approach to supporting pupils and young people in our educational settings during the Coronavirus pandemic can be found on the website.

We will continue to plan further and will communicate any changes if we hear more. Please look out for emails, texts and continue to check the website as we will be updating this on a regular basis. If you have any questions, please contact do either contact myself or your childs class teacher .

Thank you for your patience and support at this difficult time.

Yours sincerely

Rachel Carli

Headteacher
