Dear Parents & Carers,

It is with great sadness that I am writing to tell you that the mother of one of our pupils in Tesla class has passed away as a result of contracting COVID-19.

I know everyone will be very concerned and anxious about this. I have sought advice from Public Health England and discussed all relevant dates with them. I have been advised that there is no risk of transmission to pupils, or members of school staff. Nevertheless the entire school will be deep cleaned this week.

I hope that everyone stays well at this time.

Our thoughts and prayers are with the family and I am sure you will join me in sending condolences to the family.

Yours sincerely

Rachel Carli
