Dear Parents and Carers,

I hope you and your families are safe and well and had an enjoyable and restful half term. As you will be aware, the Prime Minister has announced that all schools can fully re-open on 8th March. Whilst our school has remained open to the majority of pupils throughout the Lockdown, some pupils have remained at home and have accessed our remote learning provision. School leaders will be in touch shortly to confirm arrangements for those pupils who are yet to return so that all pupils are back in school by Monday 8th March.

As always, our priority is the safety and wellbeing of our pupils and, as such, the fantastic teams at Durants Schools are working hard to ensure a safe full re-opening. We will continue to work with Public Health and the Local Authority and will follow all the necessary social distancing and hygiene measures across our schools. Pleasingly, we are seeing cases falling within the London Borough of Enfield. The majority of our staff have now received their first dose of the Covid-19 vaccine and staff are carrying out twice weekly lateral flow tests at home, we will also continue to facilitate testing for staff at school.

We continue to follow all safety measures including wearing masks, keeping 2m distance, hand washing, working in class bubbles, working in well ventilated classrooms. If you have any questions about any of the safety measures in place, please contact us with any queries you have.

Our Whole school Covid-19 Risk Assessment and the latest government advice is available on our website. Thank you for your continued support of our school during these extraordinary times. Maintaining strong partnerships with our pupils' families has never been more important and we greatly value the feedback we have received from parents. If you have any further comments or suggestions, please do not hesitate to contact your child's class teacher or a member of the senior leadership team.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Rachel Carli'.
